**Elementary and Secondary
Schools**

for the school year

1954 - 55

There are O. Reg. 195/52 as amended by
O. Reg 264/52, O. Reg 17/53, O. Reg 87/53 —
these are the only ones.

Issued by Authority of
THE MINISTER OF EDUCATION

This circular contains the book lists which formerly appeared in Circulars 14 and 52. In Schedules A and B the books listed are approved for permissive use in Grades I to X of the several types of schools. These schedules contain the lists of text-books referred to in sections 33 and 35 of Part 4 of the Regulations, General Legislative Grants, 1954, (O. Reg. 30/53, as amended by O. Reg. 34/54), which read:

33. The board of a public or separate school shall be paid a grant equal to the amount expended in the preceding year for text-books prescribed under clause i of subsection 1 of section 4 of the Act, not exceeding an amount computed by multiplying \$3 by the average daily attendance in grades I to X, both inclusive, during the preceding year.

35. The board of a high, continuation or vocational school shall be paid a grant equal to the amount expended in the preceding year for text-books prescribed under clause i of subsection 1 of section 4 of the Act, not exceeding an amount computed by multiplying \$3 by the average daily attendance of pupils in grades IX and X during the preceding year, but excluding from the computation those pupils attending from other high- or continuation-school districts.

Schedule C contains the lists of books approved or recommended for use in Grades XI and XII, and these books are not to be included in claims for reimbursement grants.

The lists of texts approved for permissive use will be enlarged from time to time as suitable books appear. Wherever possible books of Canadian origin and manufacture will be chosen for these lists. Local Coordinating Committees are again invited to submit, through the office of the Editor of Text-books, Department of Education, suggestions for books to appear on supplementary lists later in the year. If a Coordinating Committee desires to use a text-book which does not appear on the approved list, application may be made to the Minister to have it considered for approved listing.

TEXT-BOOKS

SCHEDULE A

Books Approved for Permissive Use

Pupils will not be required to buy these books. School Boards will be required to provide readers and other text-books selected from these approved lists in numbers sufficient for the use of the pupils. Boards should make their selections after consultation with teachers, principals and inspectors concerned. In 1954 Boards will be reimbursed for amounts expended in 1953 for text-books listed in this Schedule A, permissive use of which has been approved, up to a maximum of \$3.00 per pupil of average daily attendance in 1953 in Grades I-VIII. In 1955 Boards will be reimbursed for amounts expended in 1954 for text-books listed in Schedule A up to a maximum of \$3.00 per pupil in average daily attendance in 1954 in Grades I-VIII.
